# Ramtha's School of Enlightenment

## **God Is Decision** Our Divine Nature in Action Revelations through Quantum Physics

Live-Online Event Recorded Live: August 7-8, 2020

#### **Description:**

Ramtha delivered this priceless, two-part teaching on the heels of the Truth Teachings. Our Master Teacher explains the purpose of those brazen teachings and the importance to be able to recognize, without fear, our hidden truths. This is crucial in order to reveal the greatest hidden truth of all: Decision, our Divine Nature in action as explorers, creators of our life and the future.

By recognizing our personal power of decision and free will — with the help of Quantum Physics — Ramtha prepares his students for the ultimate quantum leap and journey of a fully awakened master. Only you hold the keys to this fabled adventure. It is your decision to open the door and enter.

Join us for this special 2-Day Online Workshop, which continues to deepen the teachings of Legacy 2.0 and the Blue Warrior Training of Assay 2020. Looking forward to seeing you there!

"The greatest gift I can give to you is not saying that you are God but giving you the freedom as a human being to be it."
