## ***That Elixir Called Love – Workshop***

### ***The Divine Flame of Transmutation***

***February 12-14, 2021***

**Ramtha reintroduces us with unmatched simplicity and genius to that mysterious subject at the heart of all human longing, that elixir called love.**

**Ramtha explains how love is the alchemical, divine flame of transmutation that changes a common man and woman into that golden existence of living Christs. Ramtha initiates and leads us at this event in focused discipline to become what we love most to be and experience. Don't miss this great gift and opportunity!**

**“Love is that lofty, golden existence that transcends the lust but, once it is found, includes it in the form of passionate oneness, a oneness that is shared not only sexually but is shared spiritually. It is shared in humanistic forms. It is shared in dreams. It is shared as not one leaning on the other but the two strong and able to walk and to define reality, and to be able to interlock those realities or keep them separate. But it is a companionship of greatness on every level.”**

**“The greatest crowning achievement of our life  
is to know this mystical medicine,  
and it begins with to love yourself.”**

**— Ramtha**

**\* This Workshop is based and expanded on the teachings by Ramtha collected in the original book with the same title.**
