

Creating Your Future Now

Two days of training to ***BECOME A REMARKABLE LIFE®***
Sponsored by Ramtha's School of Enlightenment

“What is the job of the Master Teacher? To give extraordinary knowledge, enough to make the human mind query questions that are no longer mundane but venture into the outrageous and the unfathomable, because when asking such questions, we awaken the Spirit and we awaken the true spiritual nature of ourself.”

— Ramtha

You will learn:

- how to create a greater mind
- how the brain creates new stem cells
- how to build new neuroconnections every day
- how to overcome and self-correct distracting thoughts

Over the course of this two-day event, you will be introduced to Ramtha's philosophy and two techniques to create your future the way you want it to be. The workshop includes:

- Six hours of video instruction by Ramtha, channeled through JZ Knight
- Additional video instruction by JZ Knight and two of Ramtha's Appointed Teachers.
- Training in The Neighborhood Walk® and Analogical Focus

Ramtha is a legendary Master Teacher who mastered his own humanity centuries ago and returned in our modern times to tell his story and teach us what he learned. He explains that in his lifetime he addressed the questions about human existence and the meaning of life, and that through his own observation, reflection, and contemplation he became enlightened and conquered the physical world and death. His philosophy reflects the experience of his own life. Ramtha's teachings are not a religion. They offer a unique perspective from which to view the mystery of life.

Ramtha's teachings emphasize that each individual is responsible for their own reality, that your thoughts and attitudes affect and create your life, and that you can intentionally change your life by artfully changing your thought.

Ramtha communicates his wisdom by channeling through the body of JZ Knight. JZ Knight began publicly channeling Ramtha in 1979. RSE was established in 1988 in Yelm, Washington, and more than 100,000 people from around the world have attended Ramtha's events.
